

Reyt Repair-Volunteer agreement

We will:

Ask you to take on repairs

Always treat you with respect

Repay your travel expenses and offer you sandwiches for lunch

Keep your personal information confidential unless immediate physical harm is preventable

Provide safety equipment, training and advice to avoid accidents and injuries.

Work transparently and fairly, treating you as a valued member of the team. We will resolve issues quickly and compassionately.

You will:

Tell us if you do not want to repair that thing. You will ask to work on something else if you don't feel comfortable or engaged with the repair.

Treat all around you respectfully

Allow us to take photos / evidence of your travel expenses for our accounts

Keep customer and others personal information confidential unless you need to share it to avoid immediate physical harm

Work safely and follow guidance as appropriate to the work you are doing. You will stop work and tell us if you feel unsafe.

Work honestly and whole-heartedly with us to provide repairs for customers. You will raise issues early.
